Tear here and keep it for your records

YGIC Guidelines of Operation (GOP)

Volunteers are here to serve you. The adherence to the following will help us serve better

1. Drop your child in the **classroom** by 9:55 AM. (We take this VERY Seriously. Time management starts here)
2. Late arrival by more than 5 minutes would be considered a tardy (T). Three tardy would be considered as one absent day.
3. Inform student's absence to the class teacher at least one day in advance. Number of absentees helps us decide on the cancellation of the class / school. If absence is intimated ahead it is considered a Leave day (L). Send an email to the class teacher.
4. Two uninformed absentee days or 6 Tardiness is considered a drop out.
5. We expect the children to attend 18 classes to graduate. Exception will be made only after discussing with the teacher ahead of time. We adhere to this policy strictly. The policy of the school is to have quality than quantity.
6. Class cancellations in case of severe weather or special circumstances will be communicated via e-mail normally 12 hours in advance. Keeping email addresses and phone numbers updated with us is your responsibility.
7. If your friends are taking them out of the Lobby it is your responsibility to keep in communication.
8. **Picking up ONTIME by 11:30 AM is your responsibility. YGIC or any of the volunteers are not responsible for keeping the child and monitoring them.**
9. **YGIC is a 501(c)(3) non-profit Organization. By signing this you are releasing YGIC and everyone involved from any responsibility or liability as per the constitution of YGIC.**
